PROFESSIONAL SUMMARY

.NET Developer with **3.5+ years of experience** in designing, developing and maintaining web applications using **C#, ASP.NET MVC, .NET Core, and SQL Server**. Strong experience in REST APIs, database optimization, and full stack development, Passinate about writing clean, efficient code and delivering scalable software solutions.

TECHINICAL SKILLS

- **Languages**: C++, C#, SQL, Javascript
- **Frameworks**: ASP.NET MVC, .NET Core, Web API
- **Frontend**: HTML, CSS, Bootstrap
- **Databse**: SQL Srver
- **Tools**: Visula Studio, Git, SSMS
- **Concepts**: DSA, REST APIs, MVC Architecture, Stored Procedures, Functions

PROFESSIONAL EXPERIENCE

Junior Software Engineer
Seap Infotech (Business Partner of Aktivov, USA)
May 2022 – Present

- Designed, developed, and maintained **web applications** using ASP.Net MVC and .NET Core
- Built and consumed **RESTful APIs** for seamless sytem intgration
- Developed and optimized **SQL server stored Procedures**, improving query perfomance
- Worked on both forntend and backend to deliver scalable and reliable solutions
- Participated in **requirement gathering, system design**, and **implementation**
- Fixed production issues and enhanced **application stability**.

PROJECTS

Polyclinic Management System (MCA Final Semester)
Technologies: C#, .NET Core, ADO.NET, SQL, JavaScript, Jquery, HTML, CSS, Bootstarp

- Used ADO.NET for secure and efficient data operations
- Designed and optimized **SQL queries** and **stored procedure** for faster data retrieval
- Created responsive use interfaced using HTML,CSS,a dn Bootstrap

Online Shopping Mnagaement System (BCA Final Semester)
Technologies: PHP, SQL, HTML, CSS

- Developed and end-to-end shopping system including product management and user workflows
- Designed **DFD,ERD,Use Case, and Class Diagrams**
- Implemented core business logic and database structure

EDUCATION

Master & Bachelor of Computer Applications (**MCA**, **BCA**)
*Indira Gandhi National Open University (**IGNOU**)*
